

Food Grade Certificate

Extract Consultants, LLC., certifies the following material is manufactured in accordance with Good Manufacturing Practices (GMP) along with FDA/FEMA standards. Rest assured that we only use ingredients that are listed as being generally recognized as safe (GRAS) on a reliable published industry association (FEMA) list. Extract Consultants, LLC., certifies this product is safe for use in food when used properly for its intended purpose.

Extract Consultants may terminate this certification at any time upon written notice in which instance this certification shall be null and void as to any material supplied after termination of the certification.
